

supporting students in CTE. After moving to Bellingham from Ephrata he jumped at the opportunity to attend the veterinary assistant program at NCTA. He shared some of his experiences in the program and hopes to pursue a career in veterinary medicine.

Willa Macaleer is a student at Bellingham High School and NCTA who has explored a variety of subjects in CTE and volunteers at the food bank. Through these experiences she realized she wants to pursue a career as a firefighter EMT. She thanked the board for their time and support of the CTE program.

comments:

Last week snow and cold weather affected the school schedule. Dr. Baker shared photos of snowy recesses across the district and expressed appreciation to the team who helped to assess weather conditions.

The second semester has started, and we will start registration for kindergarten and Promise K soon. High school students have started registering for next year's classes.

Dr. Baker shared photos from the recent sports readiness night, the open house for the health center at Options High School, and high school and unified basketball games.

Many supportive comments have been received following last week's message to the community.

The state legislature

- 2.5 Resolution 06-25, Modification of 2024-25 School Board Regular Meeting Schedule
- 2.6 EL-3 Monitoring Report of Treatment and Communication with Public, Parents and Students
